Welcome Runners

Welcome to RACE DAY!!!! On behalf of the St. Joseph Marathon Steering Committee, St. Joseph Sports Commission and Junior League of St. Joseph, we are thrilled and extend the warmest of welcomes to all participants in the 3rd Annual St. Joseph Marathon presented by Gray Manufacturing! Coming off another outstanding race in year two, our steering committee has worked hard and kept the runners' experience as our main focus throughout planning for this year's race.

We are excited to welcome runners from more than 25 states once again this year to what we feel is one of the best locations in the country to host events! St. Joseph features lots of history, beautiful architecture, several unique eating/drinking/shopping establishments and 26 miles of historic parkway system (the first of its kind in the country) in which we feature large portions of it as part of our race routes. While challenging in spots, we feel our route will provide an enjoyable run during a beautiful time of year.

We salute our title sponsor for the third consecutive year Gray Manufacturing for laying the foundation of this event! Providing Legacy & Leadership for more than 70 years in St. Joseph, Gray Manufacturing is a third-generation family-owned business supporting the truck repair and maintenance industry with the highest quality service equipment. Visit their website at grayusa.com.

This event would not be possible without the tremendous assistance from our steering committee, the city of St. Joseph, Buchanan County, our sponsors and the more the 400 volunteers who help to secure the route and provide you aid along the way!

We understand what a rigorous training process you've gone through to get here and what an outstanding accomplishment it is to complete a race. We know you have many choices of races to run, and we are glad you have chosen the St. Joseph, Missouri Marathon!

Best wishes, good luck and run hard!

ABOUT THE ST. JOSEPH SPORTS COMMISSION

Founded in 1997 and re-established in 2019, the St. Joseph Sports Commission strives to create, attract, partner and enhance sporting events to St. Joseph and Buchanan County that fill fit and niche in our area but also attracts visitors. This year, in addition to the St. Joseph Marathon, the commission hosts an event calendar that features: Missouri State High School Girls Volleyball and Football State Championships, two USA Softball youth events, MIAA Volleyball Championship, St. Joseph Area Sports Hall of Fame Enshrinement, three USTA Youth Tennis Tournaments, NCAA Division II Women's Basketball Regional Crossover Challenge, D2 CCA Men's & Women's Basketball Tip-Off Classic, High School Holiday Hoops Classic, Winter High School Basketball Showcase and the 3rd Annual Bill Snyder Women's Basketball Classic featuring Kansas State vs. Ole Miss. For more Information, visit stjomosports.com.

ABOUT THE JUNIOR LEAGUE OF ST. JOSEPH

The Junior League of St. Joseph was founded in 1921 with a mission to promote volunteerism, develop the potential of women and improve the community through effective action and leadership of training volunteers. Junior League's initiatives include support of: Cinderella's Closet. Hope Totes, Community Assistance and Literacy Grants along with their support of the United Way of Greater St. Joseph.

Keeping St. Joe running since 1978

www.fastgas.us

Greetings from the Medical Team

The Medical Support Team for the 3rd Annual St. Joseph Marathon sincerely hopes you run a successful race and have a fantastic experience in St. Joseph.

As for weather, Missouri weather can change rapidly, morning in late September can be cool, so it's wise to have a cap and light gloves available at the start. But by mid morning, the sun can be quite bright and a sun visor is appropriate.

Slower runners must be aware of hypothermia (low body temperature). At slower paces, the body does not generate enough heat to counteract the heat loss accelerated by damp clothing in cool air. If you begin to notice muscle cramps, feel confused, or start feeling very cold, request medical attention accordingly.

Race day can be very warm, so be aware of the symptoms of heat exhaustion: confusion, dizziness, and loss of coordination. If you feel poorly in any way, remember to seek medical attention. Medical personnel will advise you if it's safe to continue.

First-aid supplies such as Vaseline and Band-Aids are available at aid stations. Even if you are doing well, remember to drink at least one cup of water at aid stations, especially early in the race. Drink before you start feeling thirsty.

For full marathon runners, remember, it is sometimes more important to stop early before permanent injury occurs. To be able to compete in and complete a marathon, you need to have trained correctly. Runners experiencing pain or muscle strain should consider stopping before permanent injury occurs.

Adequate training involves running an average of more than 40 miles a week and completing several long (15 to 20 mile) mile runs in the weeks leading up to the marathon. It is important to be well rested for the day of the race. If you are uncertain about your training, it would be wise to consider running the half marathon and improving your training next time. We want you to run safely.

Greetings from the Medical Team

At the finish, medical staff will select runners who look like they need medical assistance. Please accept their help as they escort you to the medical area. The medical area will be staffed by physicians, nurses, podiatrists, and physical therapists. A paramedic emergency team and vehicle will be standing by for immediate assistance if necessary.

The medical Support Team asks each runner in the race to understand that occasionally it may be necessary for a physician to remove a runner from a race. If the runner appears to be confused and the physician finds evidence of disorientation or blood pressure or temperature problems, it is the physician's responsibility to remove the runner from the race. Please accept the physician's judgement. We will intervene only in your best interest so that you can run another day. **Run safe, run smart and good luck!**

DANGEROUS CONDITIONS

In the event of dangerous conditions that may cause an event alteration, delay or cancellation, participants will be notified of any event updates and given instructions via text, social media and email channels as well as in-person PA announcements.

Race Day - Before the Race

ARRIVAL & PARKING

All participants should arrive at least 30 minutes before the start of the race. Add additional time if you have not yet picked up your packet.

There is plenty of free parking in the downtown St. Joseph area very close to the start/finish in Civic Center Park. Suggested locations include:

- 8th & Felix Street Garage (please note, must access off of Francis Street which will close at 7 AM, after 7 AM access from Edmond)
- 7th & Faraon Street Garage
- 4th & Francis Street Garage
- Open Street Parking is also available on a first come, first served basis

Parking Map

There are more than 1,000 free parking spaces in the downtown St. Joseph area. Suggested parking for participants and volunteers for the inaugural St. Joseph Marathon include the 7th Street and 8th Street parking garages (suggested directions highlighted in **neon green**).

Please note: access to the 8th Street garage will not be available crossing Francis Street after 6:55 AM.

Street parking is also available on a first come, first serve basis.

Race Day - Before the Race

WEATHER

The race will go on regardless of precipitation and will only be canceled or postponed if weather conditions present imminent danger to participants. St. Joseph can be unpredictable, but mostly favorable conditions this time of year. Average September temperatures are: low - 53 degrees, high - 78 degrees

RACE DAY PACKET PICKUP

Race-day packet pickup is available in Civic Center Park from 6:00 to 6:45 AM. This is your last chance to get your race packet. The location is marked on the Hy-Vee Chill Out Map. **WE STRONGLY ENCOURAGE IF AT ALL POSSIBLE THAT RUNNERS PICK-UP THEIR PACKETS ON FRIDAY, 9/26 DURING PACKET PICK-UP!**

BAG CHECK AND CLAIM

Bag check is available before the race in Civic Center Park (see Hy-vee Chill Out Map for details). A member of our bag check team will provide a number, clear bag, organize and supervise for your return after you cross the finish line. If you checked a bag before the race, be sure to claim it following! We recommend you only put clothing in your checked bag. Any valuables should be left at home. The St. Joseph Marathon is not responsible for lost, stolen or discarded property.

RESTROOMS

Portable restrooms will be available on the east end of Civic Center Park near the start/finish line and also at the eleven aid stations along the route.

Race Day - The Course

COURSE MEDICAL RESOURCES

Mosaic Life Care Sports Medicine in concert with Buchanan County EMS will provide medical services on race day. Medical headquarters will be located in Civic Center Park. Bikers and emergency personnel will be stationed and riding throughout the course to assist. Ask a course monitor or aid station worker for assistance and they will communicate accordingly.

POLICE AND COURSE MONITORS

Uniformed officers from the St. Joseph Police Department and Buchanan County Sheriffs Office will assist with safety along the course accordingly. Course monitor volunteers will be wearing safety green St. Joseph Marathon T-shirts. They are there to assist you if you need help. Please obey instructions accordingly.

TIME LIMIT

Marathon participants must finish the course within a 6 hour time limit. The split between the half and full marathon courses (just past mile 9) will close at 10:30 AM. Runners who have not reached this point in the race by that time will be directed to the half course to finish. At 1 PM, the race will end and all support personnel and security will be dismissed. Anyone not finished within the time limit will be asked to move to the sidewalks.

NOT ALLOWED ON THE COURSE

There are a few items not allowed on the course including: runners not wearing a bib, animals, non-offical bikers, roller skates, rollerblades, or skateboards. Service Dogs will be allowed.

HEADPHONES

For the safety of our runners, we discourage runners from wearing headphones. If you choose to wear them, please use common sense and remove them to listen to all verbal instructions.

Race Day - The Course

We welcome all of our marathon relay teams participating in the race! Below indicates the various legs for each runner along with relay points and parking information.

– **Leg 1:** Starting Line at Civic Center Park to Krug Park Pool – 4.4 miles – shortest leg, slight uphill incline immediately after the start but mostly flat the rest of the way which includes a downhill finish into the Krug Park Pool area

– **Leg 2:** Krug Park Pool to Parkway A by Mark Twain School – 5.2 miles – tougher stretch but also a very scenic stretch, uphill out of the shoot, flattens out the first two miles, then another slight uphill to Ashland Avenue, runners love Ashland – very historic and scenic, the last part of this leg is slightly downhill to a flat finish (Park at Krug Pool, access off of St. Joseph Avenue)

– **Leg 3:** Parkway A to SW Parkway Loop – 5.2 miles, a slight incline early, toward the middle and then an uphill S curve right after mile 4, but a downhill finish and arguably the prettiest of the five legs (Park at Mark Twain School, access off of South 31st Street)

– **Leg 4:** SW Parkway Loop to St. Joseph Aquatic Park – 5.2 miles – one major uphill portion which is immediately out of the gate, following that, downhill or flat the rest of the way (Park at St. Joseph Chin Baptist Church).

– **Leg 5:** St. Joseph Aquatic Park to Finish Line at Civic Center Park – 6.2 miles, longest leg, arguably toughest stretch as uphill in the beginning and then another uphill at mile 22, but then back down and flat the rest of the way in. Scenic stretch as well. (Park near St. Joseph Aquatic Park or Central High School, access off of Messanie Street)

Teams will be responsible for their own transportation to and from the relay points.

***Good luck to all
participants!***

AGE GROUPS AND AWARDS

Each race will have a male and female overall winner. In addition to overall event winners, awards will be given to the top three male & female finishers in the following age categories:

19 & under, 20-29, 30-39, 40-49, 50-59, 60-69, 70-79, 80 & Over

Overall event winners are excluded from age group awards.

The overall winner of each race will receive the St. Joseph Marathon Gold Medal. First, second and third in each age group will receive the gold, silver and bronze medal respectively. In the relay division, the top male and female team will be recognized.

All participants will receive their finishers medal immediately following the race. There will not be a formal post-race awards ceremony for overall and age group winners. However, once each race segment is finalized and the results are deemed official, age group award winners will have the option to pick up their medals at the "Race Awards Booth" in our Post Race Chillout accordingly. Awards not obtained on race day, may be picked up at the St. Joseph Commission office located at 911 Frederick Avenue the week following the race or can be mailed to the participant.

There is no prize money at this event.
